Session Actions:

- Authorized posting or advertising for the new Director of Faith Formation position at select locations.
- Authorized Sunday School offering collections to be used to sponsor a child in Tanzania through Compassion International (estimated monthly cost \$40).

Ministry Team General Discussion:

Personnel Team — Search committee for the new Director of Faith Formation position presented the final written job description. Josh Guidry may be available to work as Youth Group leader for the summer or until Director of Faith Formation hired. This possibility will be pursued.

Finance Team --- Letter to congregation is being prepared regarding concern about our current income and budget status.

Pastor --- Exciting events are planned for the prayer and self-study project Unbinding the Gospel. A barbeque in June is the first one (watch for details!).

Facilities Team --- The roof over the church offices and Bethany needs to be replaced, as patching is not feasible anymore. Estimates will be obtained.

Christian Education --- Easy-to-use curriculum materials selected for children's church during summer months. Volunteers are needed (about 25 minutes during church service). Tappy Berge is leading this ministry.

Adult Education --- Survey is prepared and will be distributed to learn what types of sessions are of interest and / or useful to help people grow in their Christian faith.
